Middlesex County Landfill

Notice of Minor Modification and Renewal of NJDEP Title V Operating Permit

Program Interest (PI) Number (No.): 18019

Effective Date: August 13, 2024

In accordance with the New Jersey Statutes Annotated (N.J.S.A.) 13:1D-157 and the New Jersey Department of Environmental Protection (NJDEP) Administrative Order 2021-25 (AO 2021-25), the Middlesex County Utilities Authority (MCUA) will hold a virtual Public Information Session as part of renewal and minor modification of its NJDEP Title V Operating Permit (Program Interest Number 18019) for the Middlesex County Landfill (Landfill) located at 53 Edgeboro Rd, East Brunswick Township, New Jersey.

The Public Information Session will be held virtually on Teams on Thursday, September 12, 2024, from 6:00 pm to 8:00 pm or until all attendees' comments have been recorded. Interested participants can attend the meeting via the following link <https://www.mcua.com/about-us/public-meetings-minutes/2024-1/PublicHearingSeptember2024> . During the virtual session, the MCUA will receive oral and/or written comments on the Landfill's Title V Operating Permit renewal and minor modification.

The Title V Operating Permit was first approved on April 21, 2004 and has been renewed every five years. The current permit expired on April 20, 2024 and the Landfill has been operating under a permit shield. Upon NJDEP's approval of the renewal, the Title V Operating Permit will be valid for five years from the approval date. In addition, the MCUA is requesting a modification to the Title V Operating Permit to reflect the pending approval by NJDEP of a capacity increase under the Landfill's Solid Waste Facility (SWF) Permit Renewal and Modification. The Title V operating permit currently specifies the total design capacity for the Landfill as 18,856,092 megagrams. The Landfill will have a capacity of 21,656,092 megagrams after the capacity increase is approved by NJDEP.

Concurrent with this notice, the MCUA will also receive and consider written comments on the Landfill's proposed Title V Operating Permit renewal and minor modification for a sixty-day period starting on Tuesday, August 13, 2024, and ending on Friday, October 11, 2024.
