

WEAVER CONSULTANTS GROUP, LLC
Safety Data Sheet
QuikAir V

SECTION 1: Identification

GHS Product identifier

Product name QuikAir V

Recommended use of the chemical and restrictions on use

Ready To Use Odor Neutralizer (For Industrial Use Only). For vapor odor control distribution systems.

Supplier's details

Name Weaver Consultants Group, LLC
Address 6420 Southwest Blvd.
Suite 206
Fort Worth, Texas 76109
United States

Telephone (817)735-9770

SECTION 2: Hazard identification

General hazard statement

The product does not meet the hazardous criteria set forth by the OSHA Hazard Communication Standard (29 CFR 1910.1200). This SDS is being provided as a courtesy to help assist in the safe handling and proper use of the product.

Classification of the substance or mixture

GHS classification in accordance with: OSHA (29 CFR 1910.1200)

Not a hazardous substance or mixture.

GHS label elements, including precautionary statements

Not a hazardous substance or mixture.

Other hazards which do not result in classification

Not a hazardous substance or mixture.

Safety Data Sheet

QuikAir V

SECTION 3: Composition/information on ingredients

Mixtures

Components

| Component | Concentration |
|---------------------------|---------------------------------|
| Aqueous Amino Acid Blend | < 2 % (weight), Trade secret* |
| Non-ionic Surfactant | < 0.3 % (volume), Trade secret* |
| Terpene Terpenoid Blend | < 0.5 % (volume), Trade secret* |
| Defoamer | < 0.2 % (weight), Trade secret* |

Trade secret statement (OSHA 1910.1200(i))

*The specific chemical identities and/or actual concentrations or actual concentration ranges for one or more listed components are being withheld as trade secrets under the US regulation 29 CFR 1910.1200(i).

SECTION 4: First-aid measures

Description of necessary first-aid measures

| | |
|--|---|
| General advice | If concerned, consult a physician. Show this safety data sheet to the doctor in attendance. |
| If inhaled | No Specific recommendations. If throat irritation or coughing persists, proceed as follows. Move affected person into fresh air and in a position comfortable for breathing. Loosen tight clothing such as collar, tie or belt. Seek medical attention if any discomfort continues. |
| In case of skin contact | No specific recommendations. Rinse with plenty of water. Seek medical attention if irritation develops and persists. |
| In case of eye contact | Rinse thoroughly with plenty of water for at least 15 minutes. Seek medical attention if discomfort continues. |
| If swallowed | Rinse mouth. Drink 1 or 2 glasses of water. If vomiting occurs naturally, have victim lean forward to reduce the risk of aspiration. Seek medical attention if symptoms persist. |
| Personal protective equipment for first-aid responders | No special protective equipment required. |

Most important symptoms/effects, acute and delayed

General Information: The severity of the symptoms described will vary dependent on the concentration and the length of exposure.

Ingestion: No specific symptoms known. May cause discomfort if swallowed.

Skin Contact: No specific symptoms known. May cause discomfort.

Eye Contact: No specific symptoms known. May be slightly irritating to eyes.

Indication of immediate medical attention and special treatment needed, if necessary

Notes to the Doctor: Treat symptomatically.

Specific Treatments: No special treatment required.

Safety Data Sheet

QuikAir V

SECTION 5: Fire-fighting measures

Suitable extinguishing media

Use water spray, alcohol-resistant foam, dry chemical, or carbon dioxide.

Specific hazards arising from the chemical

Combustion products may include the following substances: VOC's.

Special protective actions for fire-fighters

Wear self-contained breathing apparatus for firefighting if necessary.

SECTION 6: Accidental release measures

Personal precautions, protective equipment, and emergency procedures

Use personal protective equipment. For personal protection see section 8.

Methods and materials for containment and cleaning up

Contain and absorb with absorbent material and place into containers for later disposal. Wash site of spillage thoroughly with water.

SECTION 7: Handling and storage

Precautions for safe handling

Avoid contact with skin and eyes. Refer to Section 8. Do not eat, drink, or smoke while handling. Wash hands with soap and water after handling. For precautions see section 2.

Conditions for safe storage, including any incompatibilities

Keep container tightly closed. Store in cool dry place. Prevent freezing.

SECTION 8: Exposure controls/personal protection

Appropriate engineering controls

General industrial hygiene practice.

Individual protection measures, such as personal protective equipment (PPE)

Eye/face protection

For splash protection, use chemical goggles.

Skin protection

Protective gloves (for hands) and protective clothing are required where repeated or prolonged skin contact may occur.

Respiratory protection

No special precautions.

SECTION 9: Physical and chemical properties

Appearance (physical state, color, etc.)

Liquid, Translucent Opaque White to Slight Yellow

Odor

Mild Characteristic, Slight Detergent

Odor threshold

No data available.

pH

6.8-7.8

Melting point/freezing point

No data available.

Initial boiling point and boiling range

100 °C

Flash point

No data available.

Evaporation rate

No data available.

Safety Data Sheet

QuikAir V

| | |
|--|--|
| Flammability (solid, gas) | No data available. |
| Upper/lower flammability or explosive limits | No data available. |
| Vapor pressure | No data available. |
| Vapor density | No data available. |
| Relative density | at 20 °C 0.995 ±.005 g/cm ³ |
| Solubility(ies) | Fully Miscible with Water |
| Partition coefficient: n-octanol/water | No data available. |
| Auto-ignition temperature | No data available. |
| Decomposition temperature | No data available. |
| Viscosity | No data available. |

SECTION 10: Stability and reactivity

Reactivity

None under normal use conditions.

Chemical stability

Stable at normal ambient temperatures and when used as recommended. Stable under recommended storage conditions.

Possibility of hazardous reactions

None under normal use conditions.

Conditions to avoid

None under normal use conditions.

Incompatible materials

No specific material or group of materials is likely to react with the product to produce hazardous situation.

Hazardous decomposition products

Does not decompose when used and stored as recommended.

SECTION 11: Toxicological information

Information on toxicological effects

Acute toxicity

None

Skin corrosion/irritation

May irritate skin

Serious eye damage/irritation

May irritate eye

Respiratory or skin sensitization

No known influences

Germ cell mutagenicity

No data available.

Carcinogenicity

No data available.

Reproductive toxicity

Safety Data Sheet

QuikAir V

No data available.

Specific target organ toxicity (STOT) - single exposure
None

Specific target organ toxicity (STOT) - repeated exposure
None

Aspiration hazard
None

SECTION 12: Ecological information

Toxicity
Based on available data, classification criteria are not met.

Persistence and degradability
Biodegradable

Results of PBT and vPvB assessment
Product does not contain any substances classified as PBT or vPvB

SECTION 13: Disposal considerations

Disposal methods

Product disposal
Non-hazardous, non-toxic.

Packaging disposal
Empty container completely, wash with water and make available for re-use or recycling.

Waste treatment
Non-hazardous, non-toxic

SECTION 14: Transport information

DOT (US)
Not dangerous goods

IMDG
Not dangerous goods

IATA
Not dangerous goods

SECTION 15: Regulatory information

| | |
|---------------------|---|
| HMIS Rating | |
| Health | 0 |
| Flammability | 0 |
| Physical hazard | 0 |
| Personal protection | B |

NFPA Rating

Safety Data Sheet QuikAir V

| | |
|-------------------|---|
| Health hazard | 0 |
| Fire hazard | 0 |
| Reactivity hazard | 0 |
| Special hazard | |

SECTION 16: Other information

Further information/disclaimer

The information above is believed to be accurate and represents the best information currently available to us. However, we make no warranty of merchantability or any other warranty, express or implied, with respect to such information, and we assume no liability resulting from its use. The information given is designed only as a guidance for safe handling, storage and use under normal conditions, but it does not necessarily refer to the particular requirements of the customer. When any doubt concerning use or exposure arises, further advice should be obtained.
